NEWSPAPER ADS

What is Newspaper Ads?

Newspaper ads are promotional messages placed in newspapers to market products, services, events, or ideas to the publication's readership. These ads can come in various formats, such as classified ads, display ads, inserts, or full-page ads, depending on the advertiser's needs and budget.

Role of Designing :

- Engaging Newspaper Ads
- Eye-Catching Layouts
- Effective Typography
- Brand Identity
- Content Balance
- Key Messages
- Custom Graphics
- Print Quality
- Target Audience
- Ad Space Optimization

WORK SAMPLES :

The Cambium

- Urgent Client Request for a Last-Minute Ad
- Assessing and Identifying Design Issues
- Refining the Design with Modern Elements
- Experimenting with Typography for a Premium Look
- Delivering a High-Quality Result Under Pressure

BROCHURE

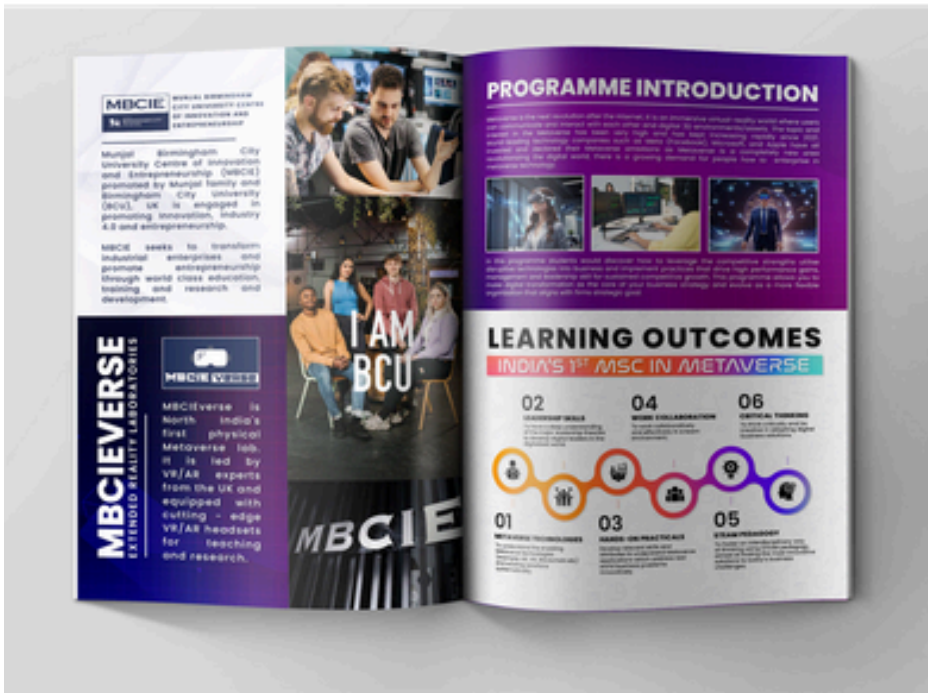

BCU Problem :

BCU wanted to launch a new course related to Metaverse and Artificial Intelligence. They required a brochure that looked futuristic, aligned with the course, and conveyed a sense of wonder and business professionalism. The theme needed to be cool and modern, with an eye-catching cover.

Solution :

- Analyzed BCU's requirement for a futuristic, business-oriented look.
- Designed a futuristic cover using AI tools.
- Applied a color palette of purple, blue, and pink for a futuristic look.
- Used modern, cool typography to align with the course's innovative theme.
- Invested a week to perfect the design and create the AI-generated image.

PRODUCT PACKAGING

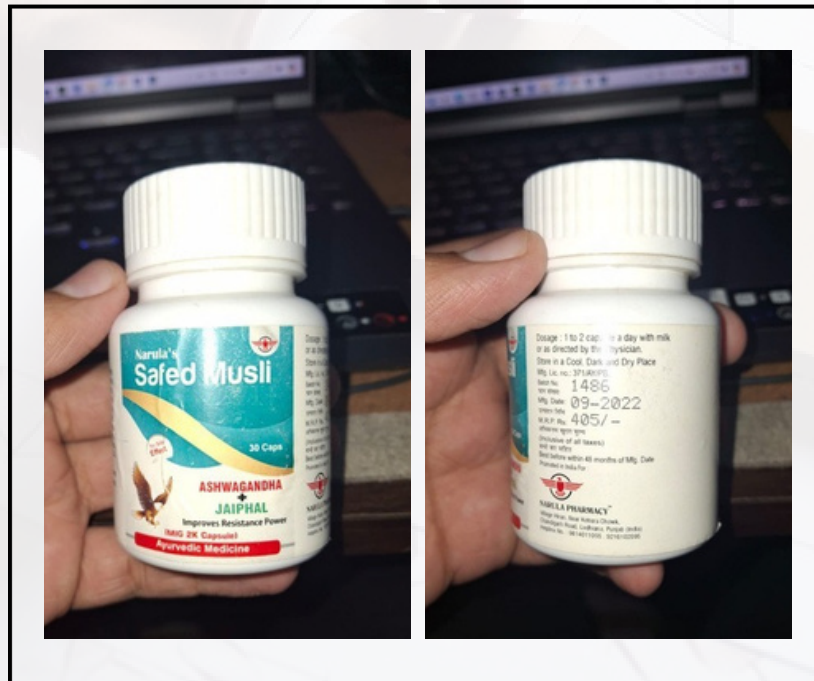

Client Problem :

The client had an outdated packaging design for their Safed Musli capsule product, and they wanted a fresh, modern look that reflected the product's essence while appealing to a contemporary audience.

Solution :

- Studied client needs, product details, and target audience.
- Added a picture of Safed Musli as the main visual element.
- Used colors inspired by Ashwagandha for a natural look.
- Applied modern fonts for a clean and contemporary feel.
- Designed a minimalistic, sleek packaging for shelf appeal.

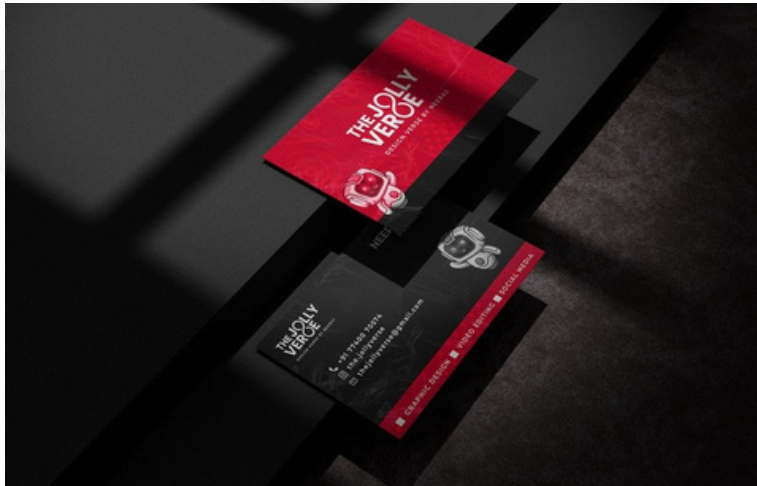

BEFORE

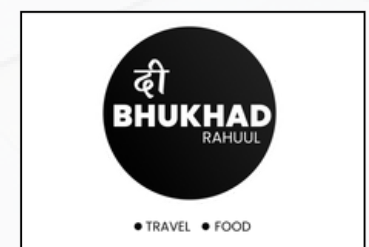

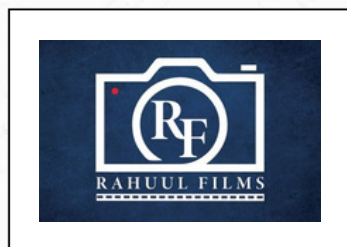

AFTER

BUSINESS CARDS

LOGOS DESIGN

WESTERN WORLD

"Western World Education" is a **simple and impactful** design. It features a globe symbolizing global reach and a degree hat representing education. This logo represents the services provided by "Western World Education" which include **teaching students IELTS, offering immigration assistance**, and providing consultancy services. The combination of the globe and degree hat captures the company's focus on helping students achieve their educational and immigration goals on a global scale.

SOOD INDUSTRIES

"Sood Industries," a cycle manufacturing company specializing in parts, is a **compact and dynamic** design. Featuring a red-colored emblem-style design, the logo showcases a stylized letter "S" at its center, resembling a bicycle part. This design choice represents the **company's expertise** and focus on cycle manufacturing. With clean lines and symmetry, the logo **exudes professionalism and precision**, capturing the craftsmanship associated with cycle parts.

CHAI SHAI

The logo showcases a vibrant yellow message icon, symbolizing **communication and conversation**. Inside the icon, a microphone is cleverly integrated, representing the interview aspect of the show. This logo design embodies the essence of "Chai Shai" as a platform that **connects influencers, artists, and the young generation**, fostering inspiration and meaningful conversations.

RAHUUL FILMS

The logo features a **sleek and modern** camera icon, symbolizing Rahuul Films' expertise in capturing moments. Inside the camera lens, the initials "RF" are **elegantly incorporated**, representing the brand's identity. The color palette is carefully chosen to evoke a sense of **sophistication and creativity**.

SG OVERSEAS

The logo concept for "SG Overseas" is a visually appealing design that represents the company's expertise in **consultancy and immigration**. It features the initials "SG" creatively styled to resemble a flying airplane, symbolizing global opportunities. The logo's sleek font and color scheme exude **professionalism and excitement**, effectively communicating the company's core services.

ZODIACK

The symbol is intricately crafted, highlighting the uniqueness and mystique associated with astrology. The use of purple as the primary color adds a touch of elegance and intrigue to the logo, symbolizing wisdom, spirituality, and cosmic connections. "Zodiack" captures the essence of astrology and the fascination people have with the zodiac signs.

Which statement do you believe is incorrect among the following options?

A Preservatives are substances added to cosmetic products to prevent decomposition caused by microbial growth or undesirable chemical changes.

B Antimicrobial agents and preservatives share identical properties in preventing microbial growth and maintaining product integrity without providing any additional benefit.

C Boosting agents enhance preservative effectiveness in cosmetics, reducing the requirement for traditional preservatives, optimizing formulations.
